

One Day Seminar was organized by COUNCIL OF SCIENCE & TECHNOLOGY, UP Vigyan Bhawan, 9, Patelshahi Road, Near Sang Road Park, Lucknow-226010 at CV Ramas Hall on 12<sup>th</sup> January 2019 on "Current Trends & Emerging Opportunities in Artificial Intelligence, Cyber Security & Social Media". The seminar was attended by the Faculties and Students of School of Engineering, BBD University.

#### Outcomes of the Seminar:

1. Current trends and applications, in industry and government, at the intersection of artificial intelligence and the security field.
2. Real-world use cases of artificial intelligence paired with security applications.
3. Potential future applications.
4. Basic glossary of artificial intelligence and security terms.
5. Machine Learning Cyber Security May Help Speed Response to Hack Attacks.

S.N.	NAME OF FACULTY	DESIGNATION	DEPARTMENT	REMARKS
1	Dr. Avadh Srivastava	Prof.	ME	Attending one-day seminar
2	Mr. V.K. Mishra	Associate Prof.	EE	
3	Mr. Anandesh Baidya	Assistant Prof.	EC	
4	Mr. Laxmi Sharma	Assistant Prof.	CSE	

S.N.	NAME OF STUDENT	YEAR	DEPARTMENT	REMARKS
1	Mr. Raja Babu Mishra	ME - II	Mechanical Engineering	Attending one-day seminar
2	Mr. Yashu Khanna	ME - II	Mechanical Engineering	
3	Mr. Ravi Prakash Dixit	ME - II	Mechanical Engineering	
4	Mr. Shivam Gupta	ME - II	Mechanical Engineering	
5	Mr. Pratiksh Mishra	ME - II	Mechanical Engineering	
6	Mr. Siddhant Tripathi	ME - II	Mechanical Engineering
