ABOUT UNIVERSITY

Babu Banarasi Das University was started under the flagship of Late Babu Banarasi Das. He was the former Chief Minister of Uttar Pradesh. The university aims to transform the way people think by teaching them problem solving, leadership and teamwork skills, and the value of commitment to quality, ethical behaviour, and respect for others. We want every member of our university to enjoy diverse opportunities for intellectual, personal and professional growth. Learning and working at BBD University will foster quick, well-rounded minds, well-equipped to succeed in our fast-changing world. We at BBD University strive to educate students in a way that transforms them into leaders who can make a difference in the world. We aim to impart futuristic and high quality technical, management and medical education to the young and talented Indian and International students. We strive to become the front runner in the field of education in India by attracting and nurturing the best talent and providing them a platform where they can strengthen and grow their core competencies and build their career as world class professionals.

The School of Legal Studies of BBDU which has the reputation of being the top Law institution in UP envisages advancement of institutional expertise in the area of legal research and education by augmenting academic and professional excellence, developing critical and relentless engagement with legal theory and practice, synergizing law, legal research, law education and action to further the quest for justice. School of Law Studies aspires to open new vistas in the arena of law, legal studies, theoretical and clinical legal education through an incessant Endeavour towards developing academic potential, critical analytical ability, advocacy, counselling and mediation skills so as to fully equip the students with learning which is intellectually stimulating, socially vital and professionally enriching.

BACKGROUND NOTE

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, School of Legal Studies, Babu Banarasi Das University, is organizing One Day National Workshop on – “ Intellectual Property Rights and Innovations ” The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc. The technical sessions will be led by the speakers having thorough knowledge in the subject who have been practicing in the field for many years.
