In today's era Artificial Intelligence is important because it enables human capabilities – understanding, reasoning, planning, communication and perception to be taken by software increasingly and effectively. With a view to create awareness on the importance of Artificial intelligence and its relations with intellectual Property Right, School of Legal Studies has organised GUEST LECTURE on – *“Artificial Intelligence – Contemporary Challenges before Intellectual Property Laws”* on 3rd April, 2023. The eminent speaker of the day was Dr. Vikas Bhati, Assistant Professor, Ram Manohar Lohiya National Law University, Lucknow.

The Lecture was very informative for participants, as it intended to cover various aspects regarding Artificial Intelligence and the challenges before the Intellectual Property Rights Laws. The session was led by the speaker having thorough knowledge in the subject and who have been practising in the field for many years. There were 54 registered participants from the department and the benefit of the lecture on the students could be seen and received in their feedbacks.
