Brief Description of Event:

A beautiful saying "all work and no play makes the jack a dull boy". The School of Hotel Management, thus just to give a break from the regular academic sessions organized a recreational activities, under its Student Forum name 'Umsang Club'. The main aim of the club was to do the ice breaking session between the faculty and the student's where there is no hesitation among the students and faculties, where both of them enjoy and be a part of the activity. The event was organized post lunch in the department from 01:00 pm to 04:30 pm, where the students of Hotel Management from all the years performed cultural activities like dancing, singing, jokes, sharing real life experiences etc without any barrier of hierarchy. Some gaming activities like Pubble Race, Traged in the middle and musical chair were organized where both students and faculties actively participated. It was followed by the gift distribution to all the winners of the game and a beautiful motivational speech by our HoD Sir. It was really an interesting and cherishable event for both the students and faculties everyone enjoyed the session.
